Learning on the Internet

We live in an age of computers. We use computers for lots of things, like having fun, shopping, getting information, or communicating with friends.

There are also many (1) _____ you can learn about online (which means 'using the internet'). Did you know that you can take a (2) _____ over the internet? When you sign up for one, we send you a series of (3) _____ to complete and a (4) _____ which tells you exactly when you have to complete them. At the end of the course, you have the chance to do some (5) _____ so you can be sure you're ready for the final exam. You also receive regular (6) _____ on how you are doing so you know if you have to work harder. A good thing about our online courses is that you can work as quickly or slowly as you like, and you can take a (7) _____ whenever you want to!
